

How to create your account

If you do not already have an account, you will need to create one.

On the main menu bar, under "My Space" click "Create account" and then fill the form.

After submitting the form, you will receive an e-mail containing a link to activate your account.

Once you have activated your account, you will be able to log in our website with login/password you have chosen.

The screenshot shows a blue-themed login interface titled "MY SPACE". It contains two input fields: "User name" with the text "login" and "Password" with the text "password". Below these fields is a "Login" button. At the bottom, there are two links: "Lost password?" and "Create account".
